

LISA TECHNOPOLYMER BAR STOOL

With its award-winning design, the Lisa Bar Stool is inspired by the elegant interiors of the 1950's and 60's. The slimline tubular structure envelops and supports the backrest of both the armchairs and chairs. Lisa fits effortlessly into any contract or household setting thanks to the use of sophisticated finishes and materials.

Seat and back: Technopolymer. Frame is Polyester Powder Coated. See *Materials Catalog* for details on Finishes
