

# Nicolle Outdoor Metal Bar Stool

The Nicolle Outdoor Metal Bar Stool with perforated seat and back is part of the Nicolle series, manufactured in France since 1933. The steel chairs and bar stools from this have an elegant, industrial style. Unique design features include the swan neck and whale tail shaped backrest. Extremely comfortable, the back rest is in the perfect ergonomic spot and flexes slightly left and right as you move your back. Remove the back, and voilà, it becomes a stool.
